Continuing to read through phonics

Although children will have completed their Phonics Screen Check at the end of Year 1, it is important that they continue to follow the Little Wandle programme. This allows them to embed decoding skills, develop prosody, build fluency and learn comprehension skills using the phonics which they have learned so far.

The Little Wandle Spelling programme incorporates a Phase 5 review, Bridge to spelling and the Spelling units. This will support the children in building their knowledge of the alphabetic code and teaches them how to spell with confidence. The fluency Little Wandle reading books levels 1-5 are used and these support the children in smoothly and effortlessly decoding words while also comprehending and interpreting the text.

Our Vision
